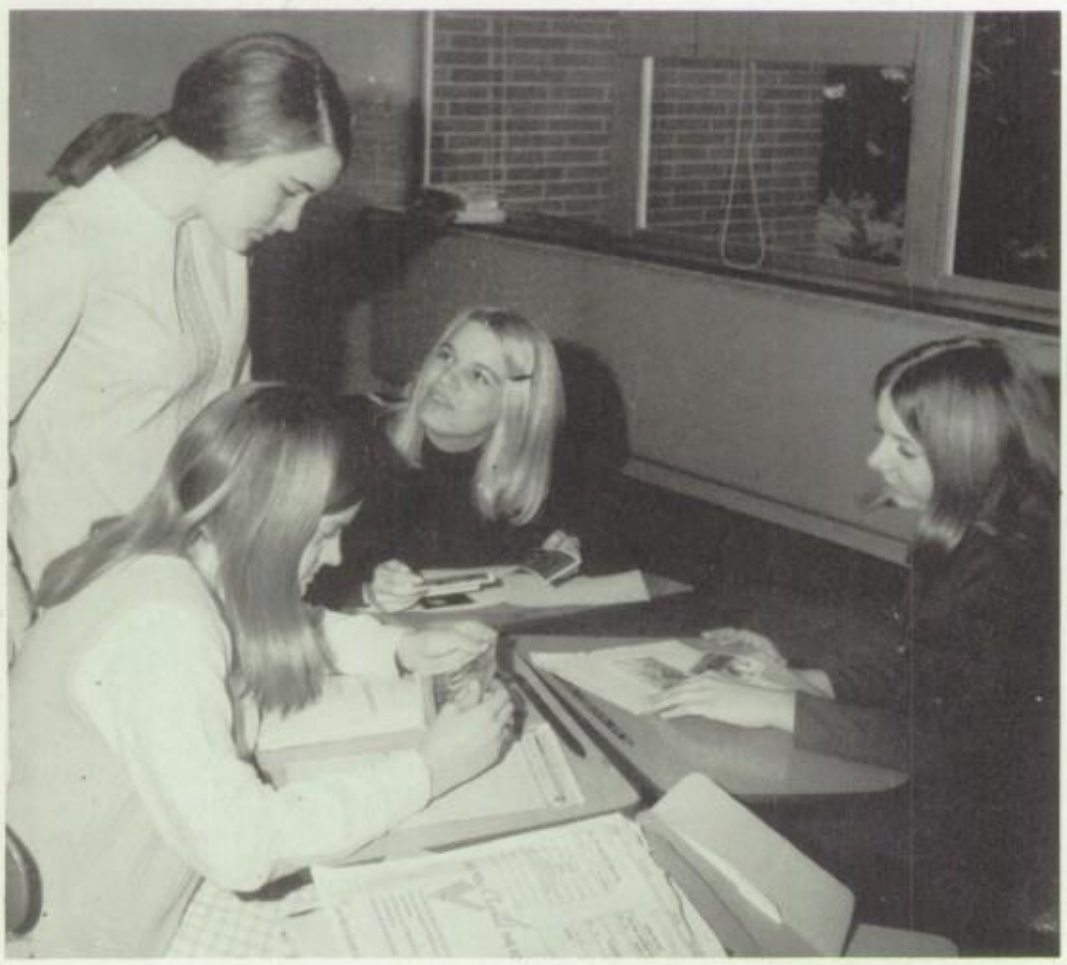
The Successus Staff worked hard this year under the supervision of Mrs. Linda Walburn and Miss Beverly Chenoweth to produce a good yearbook. After financing twenty-five additional pages with the help of a bake sale, the staff decided to add some color to the book, along with some new techniques. The main effort of the staff was aimed toward making this book an accurate record of the past year. The staff sincerely hopes you enjoy your memory book.



Is this how you make a yearbook layout?

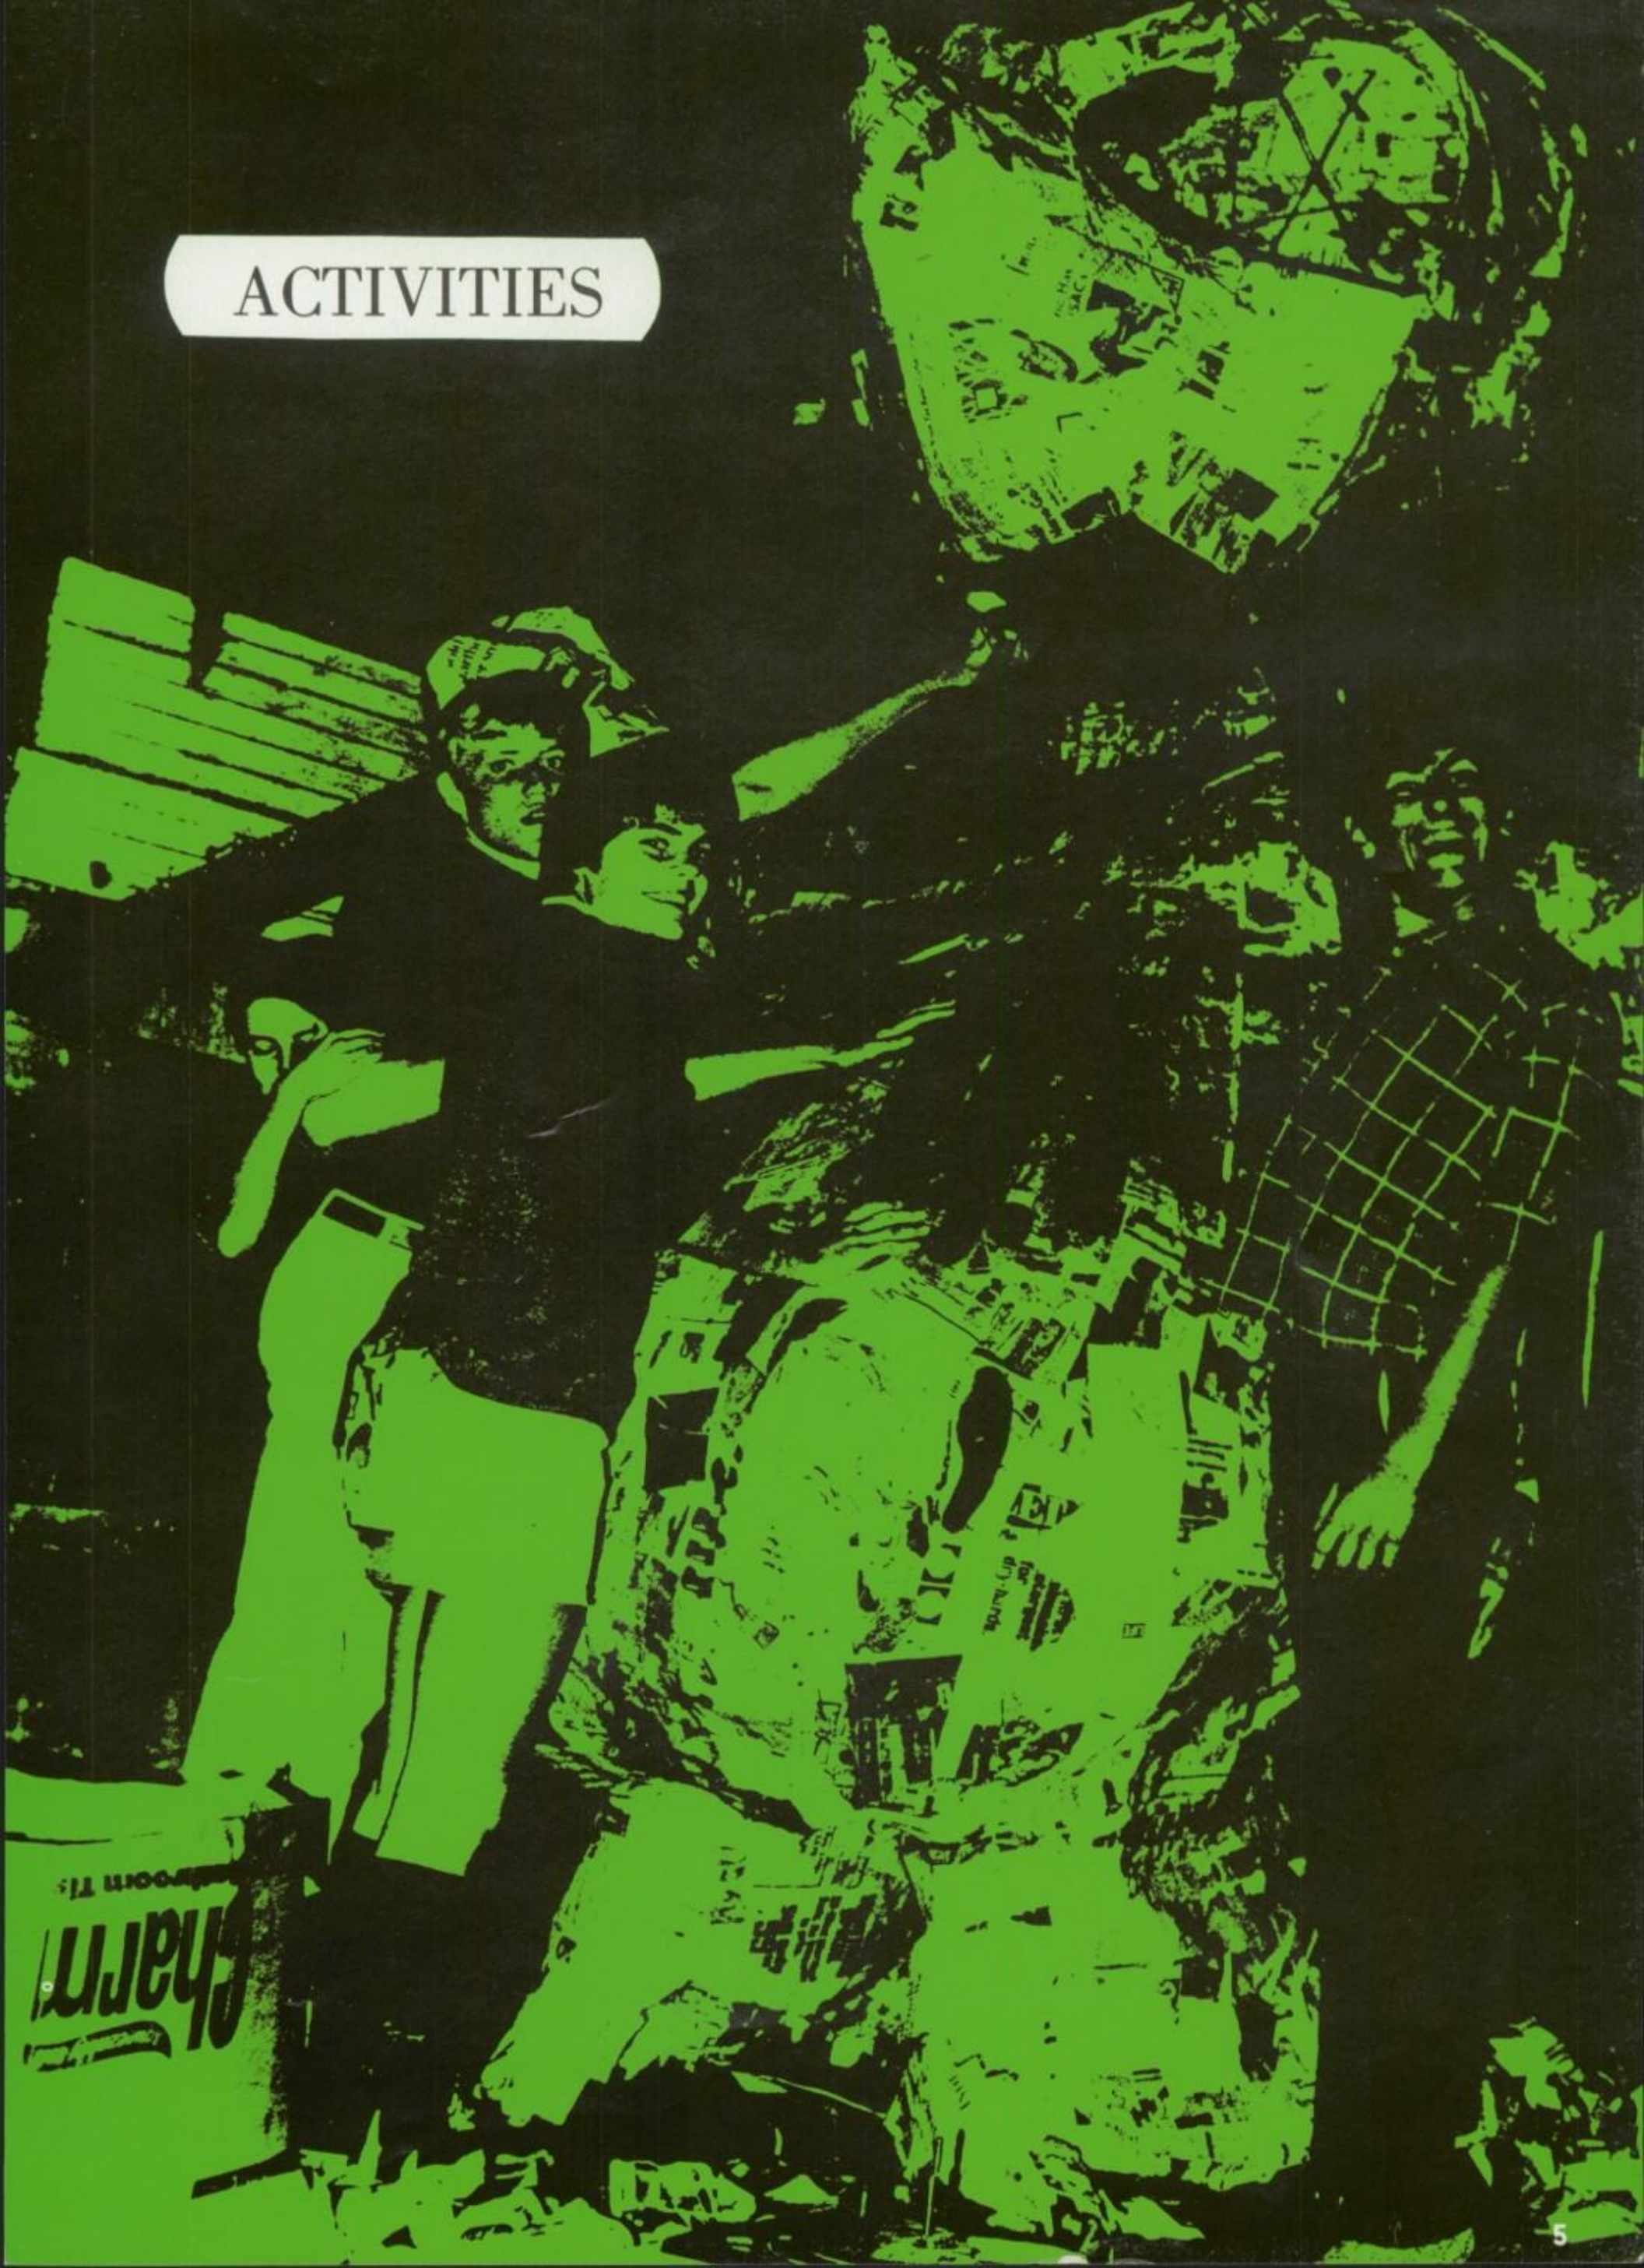
ACTIVITIES



The 1969 Homecoming Of U.C.C.H.S.

The 1969 Homecoming began on Thursday night with a parade based on the theme "Walt Disney Presents." Following the parade there was a pep-rally and a bon-fire. The community was very impressed by the quality of the floats and the spirit shown at the bon-fire.

The festivities were climaxed Friday night by a win over Brookville and a dance featuring "The Black and Blues."

Miss Anita Burton was crowned Homecoming Queen by Co-Captain, Mike Vance, and presented roses by Student Body President, John Lauer.

Miss Burton's court was as follows: Diane Costello, freshman; Lisa Daffron, sophomore; and Jill Mendenhall, junior.

"Thump'em Indians"
The class of 1970 produced the winning float with this title. Their float consisted of a huge rabbit, Thumper, who moved his foot and lit up his eyes.

"Hook'em Indians"
This year the Sophomore Class produced the second place float. It was an effective reproduction of Captain Hook's pirate ship.

Christmas At U.C.C.H.S.!

The students of U.C.C.H.S., dressed in their best, really celebrated the holidays this year. The eighth grade had their first taste of high school with their own dance and a live band named "Unity's Children." The high school students were entertained by the sounds of "The Black and Blue," a popular rock group. The Northside multi-purpose room was decorated especially for the dance by the P.T.O.

PEP SESSIONS;
This year it was decided to have rallies to raise the team's spirit for our football games as well as our basketball games. As a result, the student body experienced a wide variety of pep sessions featuring the teams, coaches, and cheerleaders. The pep committee was also responsible for presenting several clever skits urging the Indians on to victory.

CONVOCATIONS;
The student council certainly deserves a great deal of credit for the quality of convocations it sponsored this year. Ranging from a personal Thanksgiving program, to an informal Christmas program, to even a state policeman telling the facts about narcotics, the student body was presented with a number of excellent convocations.

Distributive Education

Distributive Education is a cooperative educational program for junior and senior students. It offers on the job training through the cooperation of local business-men. The program is supervised by our local school authorities and helps train students in many areas of marketing, in the field of distribution of goods and services. The merchants participating in this program are:

Juniors Come: "Cheaper By The Dozen"

The selection for Junior Class Play was CHEAPER BY THE DOZEN. The play was an entertaining story about a family run as a factory. The Gilbreths were a fine tuned machine machine, but one filled with warmth and typical family experiences. The juniors can certainly be proud of their performance. It is to be remembered that this was the year Bolivar made his debut!

Members of the Queen's Court were Georgia Scholl, Jill Mendenhall, Peggy Harrison, and Beth Stebleton.

Guests of the Junior-Senior Prom were entertained at a "Pirates Hideaway." The beach of the island was highlighted by the drying bones of a pirate's skeleton lying beside an abandoned dingy and a chest of riches. Guests were helped from their cars by the "captive servants" in the glow of the tikki lights at the cave entrance leading to the "Pirates Hideaway."

Commencement Exercises

Baccalaureate Services were held on May 31, 1970 at 3:00 P.M. with the message being given by Rev. Robert Schmitz. He spoke on the topic, "What is Truth?"

Commencement took place on Tuesday evening, June 2, 1970. The Valedictorian and Salutatorian both spoke during the program. Their topic involved the necessity for people to strive for betterment and not to be content with mediocrity. They based their speeches on the quotation from Henry David Thoreau, "Aim above morality. Be not simply good; be good for something."

The baseball team had two wins and five losses with five games left to play, in addition to the sectional tournament. Wins were over cross town rival, Mississinawa Valley, and Winchester. Losses came at the hands of Cambridge City, Hagerstown, Brookville, Liberty, and Winchester.

Thom Blackmore, Kirby Whitacre and Mike Vance batted over .300. Prime candidates for all conference honors were Rex Burk, at third base, batting over .400 in the conference and Thom Blackmore, at shortstop. Thom Blackmore was an all-conference selection in his junior year at third base.

The Indians, despite this being a rebuilding year, finished the season with a respectable record of 5 and 15. The Indians had only one returning letterman from last year's sectional winning team, however the Indians finished the season with some very impressive victories. Our team tied with Centerville for the Tri-Eastern Conference Championship.

Next year's team should be a very good one with many lettermen returning, plus the added strength of this year's B-team, which had a 4 and 16 record.

B-Team

Coach Bill Bower's Braves ended up with a 4 and 16 record, but this was not the complete story. Getting off to a slow start, the Braves caught fire at mid-season and played near .500 ball for the remainder of the year. Although they ended up on the short side of the won-and-loss column, the Braves gave their fans more than their share of excitement.

Getting ready to go.

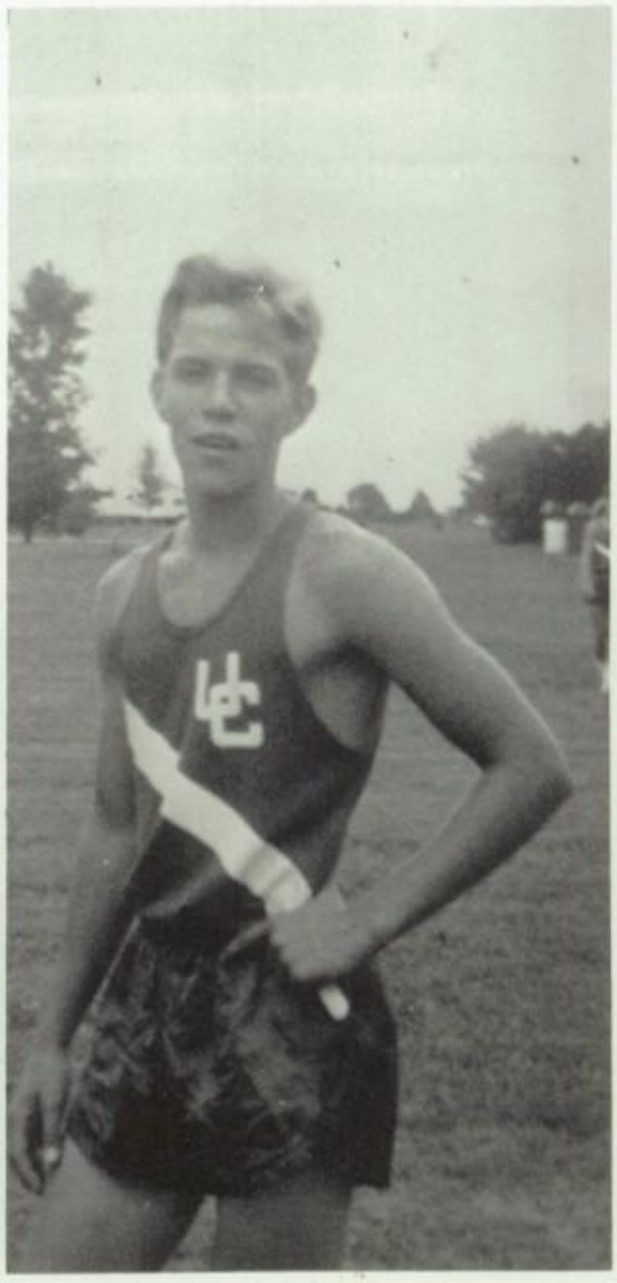
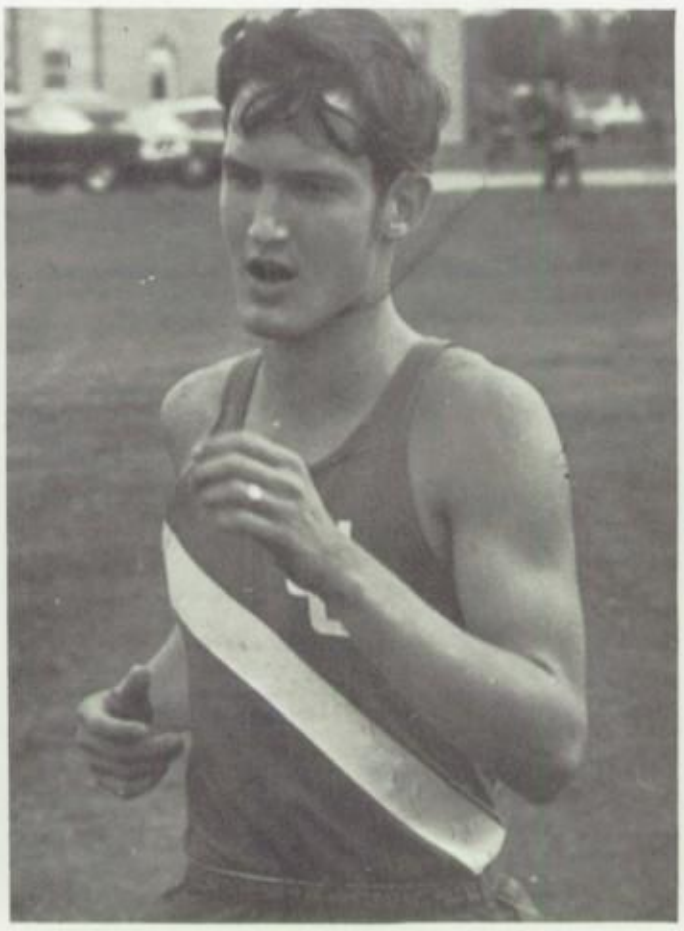
Cross Country Team





This summer three members of the cross country team, John Brooks, Dave Landon, and Steve Hufford, attended the Olympia Sport Village in Wisconsin. At this camp the boys were coached by college coaches. The boys spent one week at the camp and ran over one hundred and twenty-five miles. The boys also participated in a twenty-six marathon race which is pictured here.

The Union City Cross Country runners finished a fine season with a 10-3 record and capped it with winning the Tri-Eastern Conference. The most surprising fact about this team is that there is not one Senior. Coach Young will have all the boys back to try and better this year's record.

This year the mighty Indians opened the season on their new football field. A dedication service was held before the game in which our superintendent, Mr. Hatton; our principal, Mr. Ayers; our Student Body President, John Lauer; and Rev. David Swinehart were the speakers.

There was great improvement in the team this year. Although the season started slowly due to the youngness of the team, it ended triumphantly with a winning record and a try at first place in the Tri-Eastern Conference. Unfortunately, the team will not have some of its valuable players returning next year; B. Cook, C. Weist, S. Rice and W. Stewart all graduate this year. But next year looks very bright with a more experienced team and returning lettermen: S. Mote, K. Carpenter, and P. Wright.

The tennis team completed another successful season with a record of six wins and only one loss in regular season play. The team finished second in the Sectional, surpasses only by Muncie Central with the score of 17 to 16.

The Union City team continued to dominate the Tri-Eastern Conference by claiming first place. Our boys also finished first in the T.E.C. tournament, winning four out of five places.

Wrestling

Coach Surface demonstrates a hold to wrestlers Bill Cook and Keith Price.

The UC Wrestlers finished the regular season with 6 wins and 6 losses.

There were five seniors on the team. Clarence Weist was the team's top wrestler. Bill Cook, another senior, finished with an 8-7 record. Three other seniors worthy of mention are Terry Smith, Dusty Bradburn, and Al Martin.

The team had two freshmen on Varsity: Keith Price and Dean Stover.

Coach Surface is looking forward to a good season next year because of the promising talent he has seen this year.

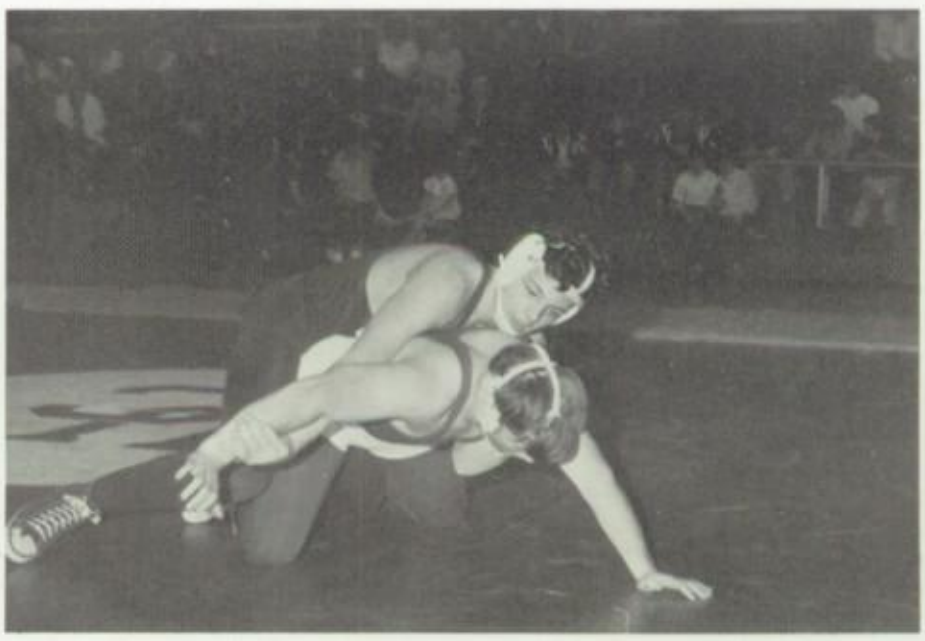
Dusty Bradburn looks over his opponent. He finished the season 7-8-0.



Junior Jeff Vaughn works for control of his man. He finished the season 5-11.

Senior, Al Martin goes for 2 pts. He ended the season 6-8- 0.

Warming Up

A win for junior, Brad Key. He finished the season 5-10-1.

Senior, Clarence Weist works for a pin. Clarence finished the season with a 12-3-0 record. He was also rated Union City's top wrestler.

Freshman, Dean Stover ended the season with an 8-9-0 record.

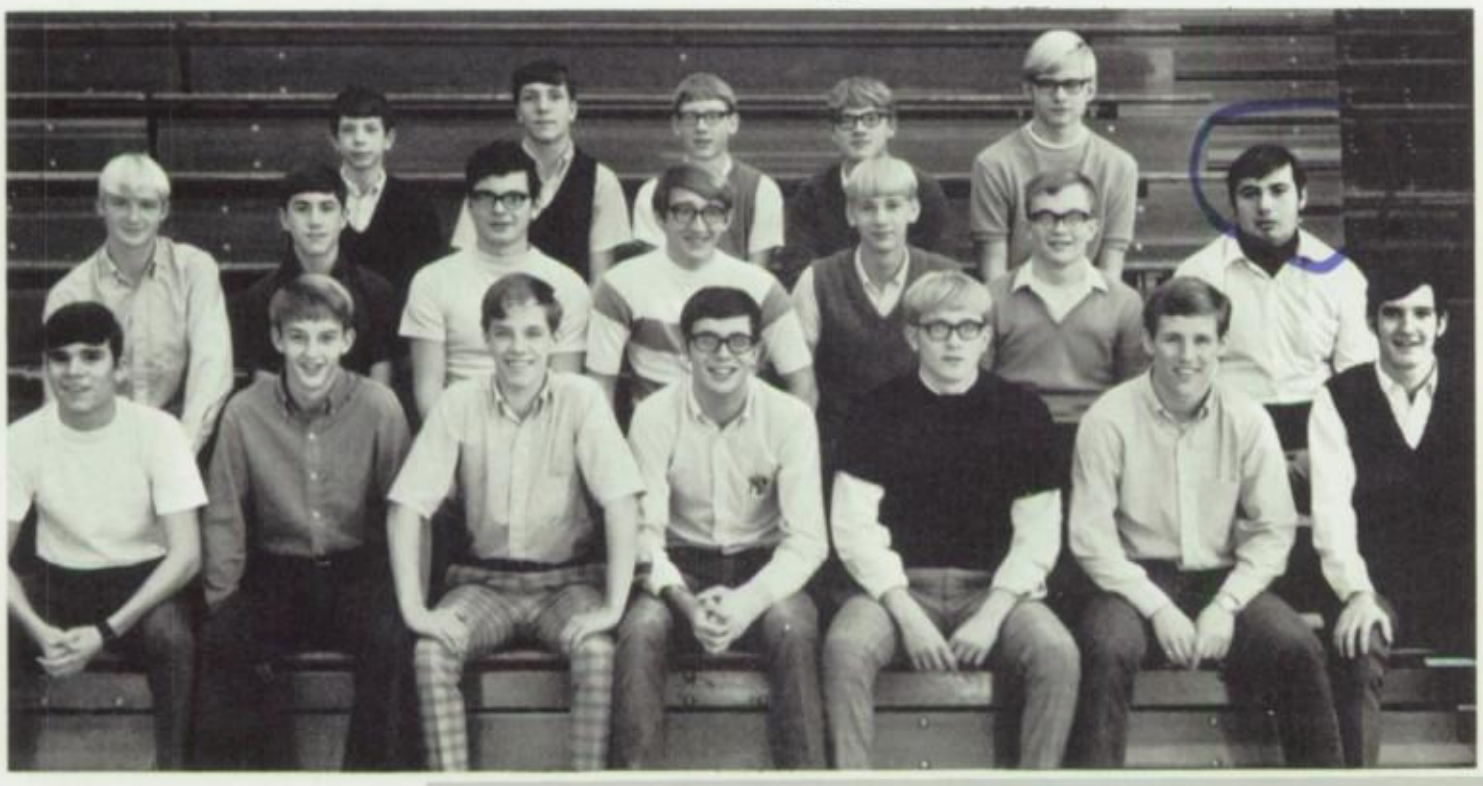
UCLA Visits Exciting Athletic Events



Receiving a letter in one or more sports is the requirement for membership in Union City Letterman's Association.

Activities for the year included a trip to a baseball game at Cincinnati and a basketball game in Indianapolis. A new feature this year was sponsoring a popularity contest as a money-making project.

The purpose of the Rocket Club is to get people interested in rockets and to give the members a basic knowledge about rockets and space exploration. The club plans to have several model rocket launchings during summer vacation. It is hoped that interest will spread and more people will attend.

Rocket Club Is Formed This Year

Officers for the club are T. Taylor, president, and J. Reeves, vice-president.

Officers of F.H.A. this year include L to R, R. 1: D. Stump, reporter; D. Pearson, pres.; L. Cline, v. pres.; B. Byrum. R. 2: C. Frazier, parliamentarian; F. Sickles, sec.; S. Coulson, rec. leader; J. Noffsinger, historian; S. Byrum, projects chairman; and sponsor Mrs. Smith.

FHA Is Very Active This Year

This year their goal was "Decisions that count." They worked together on various community projects: Collecting fabric scraps, sponsoring a heart fund drive, and giving a party and program for Head Start children were among their many activities.

The Future Farmers of America had a busy year with many outstanding members. Keith Price won the state speaking contest at Purdue, and the dairy and poultry teams did very well. An annual project undertaken by the F.F.A. members is the sale of various types of seeds. This year Darlene Pearson was elected F.F.A. Sweetheart.

FTA Encourages Cadet Teaching

The Union City Chapter of Future Teachers of America was active this year in its exploratory teaching program. Many high school students had the opportunity to observe the classroom of their choice, and participate in a teaching experience.

The purpose of F.N.A. is to prepare students who are planning to go into the nursing field. To help carry out this purpose the members worked in the hospital; those who worked 25 hours were awarded a pin. This year the F.N.A. took a field trip to visit St. Elizabeth Hospital in Dayton.

Spanish Club Christmas Party A Success

Spanish Club is made up of students who want to learn more about the Spanish-speaking world. This year, the club's main project was a Christmas party, at which a pinata was broken. The group then serenaded the student body with Christmas carols sung in Spanish.

There are forty members in Le Cercle Francais, all of whom are students presently enrolled in either first or second year French. This year's program consisted of a French banquet and a bake sale to earn money for a scholarship to send two members to a language camp. Members hope to make those programs an annual event.

Audio-Visual Aids Checked By Boys

The student librarians have been an invaluable aid to the school library. Their duties include checking in and out books, shelving them, taking care of magazines and films, and running errands. The library assistants earn a half credit a semester for their work.

The Audio-Visual boys are in charge of all audio-visual equipment, making minor repairs and checking general upkeep. They check films in and out with the librarian and must make sure the materials are delivered to the teacher who has signed up for them. Sometimes they are asked to show the films to the classes.

U.C. Chorus Has Building Year

CHORUS OFFICERS: SEATED: Mrs. Wasson, director; S. Coulson, secretary-treasurer. STANDING: K. Blackford, librarian; C. Sarff, v. president; M. Byrum, president.

The high school choir was in a building year during 1969-70. Although small, the choir showed itself capable of handling some very challenging music. During the year they performed for the Thanksgiving Convocation, All-School Christmas Concert, Delta Theta Tau Christmas Party, the Union City Rotary Club, and the High School Spring Choral Concert. They also traveled to Muncie in mid-April for the annual choral organization contests at Ball State. Next year promises to be an even bigger and better year for the Union City Chorus.

The U.C.C.H.S. Singers, the folk-singing group, was formed to attract students with musical ability who otherwise were unable to take vocal music. This group has become very popular and had thirty members participating this year.

A high school girls' ensemble was also formed with nine girls taking part this year. This group won a I Division rating at the I.M.E.A. vocal contest.

A definite need for some training at the junior high level prompted the formation of two more groups - an eighth grade girls' ensemble and an eighth grade chorus. Both groups performed at contest and for concerts this year.

Junior High School Band

The 8th grade band was a fine group of musicians consisting of thirty-three players this year. The band marched in two parades, played concerts for the North Side School and for the Joint Mississinawa Valley and Randolph Eastern P.T.O. Meeting. At the Junior High Band Contest in Muncie, the Band received a superior rating, which was the highest recorded in their class.

The U.C.C.H.S. Band On The Move

Our band at its best

The High School Band for the year 1969-1970 consisted of eighty-eight members including the drill team and majorettes. The band performed often in various concerts and contests. Among the programs presented by the band were the Ball State Band Day, The Bradford Pumpkin Show, a tour of two high schools, and the Indiana State Band Contest at Ball State University. The band represented our school very well this year.

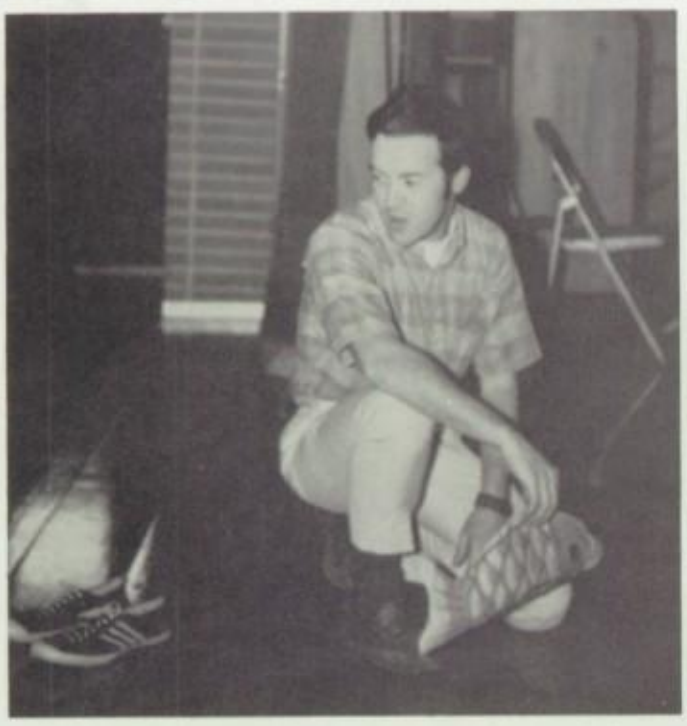
National Honor Society Taps New Members

Because new members of the society were unaware of their selection, senior members held a tapping service for their induction. The program was presented by the senior members with the message being given by Mr. Mark Surface. The newly elected junior members served as ushers for commencement where the senior members were recognized for their achievements by pendants furnished by the Kappa Kappa Kappa sorority.

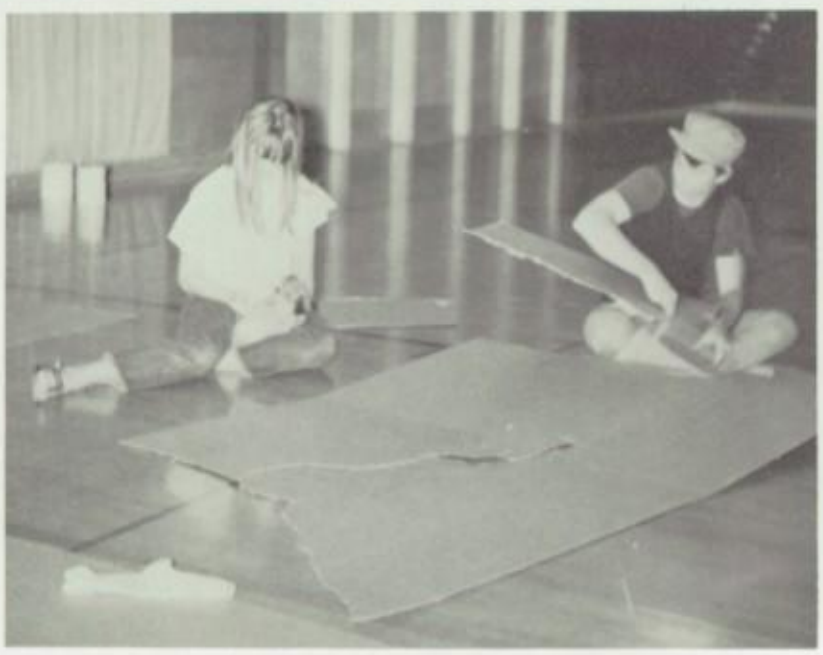
Congratulations, Judy! You made it!

Do you mean me? Was I really picked to be in National Honor Society?

Student Council Has Busy Year



The Student Council is a working organization providing convocations and activities. It makes changes in accepted patterns for the benefit of the students. Student Council is a link between the students and the administration. It consciously attempts to represent the thinking of the student body.



What's that you're making, Wayne?

The *Tom Tom Beat* Is Created!

The 1969-70 school year was the first for the Tom Tom Beat, our school paper. Published in cooperation with the News Gazette, twelve issues were successfully completed. The students on this year's staff did all their work after school or during study halls. Since learning was primarily a matter of experimentation, we feel that this was a tremendously successful first year.

TOM TOM

U.C.C.H.S. Tra

We have many important sports and winning teams at UCCHS and our track team is one of them. It is coached by Mr. Mel Young.

Mr. Young has had a lot of experience at coaching track. He coached one year of track and baseball at Redkey, Indiana. He then came to U.C.C.H.S. and has been here for five years. Mr. Young has coached track for five years, cross country for two, and basketball for one. His biggest hopes for the season are to win the conference and to qualify as many boys as he can for the sectional.

This year our track team has had it rough because we lost seven great track participants last year, five of who made the all conference team. They were Dick Bruner, Dick Robbins, Jerk Sterley, Jim Beanblossom, John Warwick. This year we will gradu Jim Carr, This year Jim Carr; Baker; R Hufford; Tony Puc Jim Harn Mark Ab Bell; John Mike Moo Paul Gey Everett; Bolt and managers and Bruc

Head 'em up; move 'em out!

Forward march!

Great stress today is being put upon a good basic education, and the math department is meeting this trend by offering more math next year in addition to this year's curriculum.

The English Department stresses innovation and relevance. Through the addition of new classes and multi-media equipment and text, it attempts to keep pace in our quickly changing society. Through the efforts of this department an additional five classes will be offered in the coming year. English is a "living language."

Social Studies Department

Mr. J. Schmidt
U. S. history

Mr. B. Bower
Econ. and Gov.

Mr. R. Fuller
U.S. history

The social studies department attempted to extend the walls of the school again this year by conducting various history trips. Mr. Fuller's eighth grade students took a Saturday trip to visit the historic landmark of Indianapolis. The junior U. S. history classes participated in two tours: Chicago was visited for three days in the fall and spring vacation was spent in Pittsburg, Gettysburg, and Washington, D.C. The value of these tours is evident by the knowledge gained by the students and the good time had by all concerned.

See what I made?

The vocal music department at U.C.C.H.S. was in a building year. The number of people with an active interest in the program was very small at the beginning of the year. Because of this, several extracurricular activities were added to encourage more participation. Next year promises to be a bigger and better year with many more students participating.

Foreign Language Department

Mrs. P. Knasinski
Spanish

The food was hot, but the party was cool!

Spanish Class

In Spanish classes, students learned to understand spoken Spanish, to say in Spanish what they had heard, and later to read and write the same material. Much time was spent in oral practice and memorization of dialogs containing practical language patterns. In all oral work, Mrs. Knasinski emphasized exact pronunciation and intonation.

French Initiation
I wonder who won?

LEFT: French Project - a guillotine. Any volunteers?

French Class

Miss B. Chenoweth
French, World history

An audio-lingual approach was used in the French classes with special emphasis placed upon listening comprehension and speaking ability. The program was enriched and varied by the introduction of materials which helped to give the student an understanding of France, its people, and its culture.

Home Economics Department

Mrs. E. Smith Mrs. J. Baldwin
Vocational Consumer and
Homemaking Education

This was the first year for "team teaching" in teaching Vocational Consumer and Homemaking Education. It is believed that the students benefit greatly, as they are instructed in each unit of study by the teacher who feels most qualified in that specific area. It also allows the students to change teachers several times throughout the school year. The Independent Study Program was experimented with on the senior level, which is believed to help expand the Vocational Program in the school.

Jeannie
You're such
a real girl, and
friend indeed

Joyce

-Jannie-

So a real cool cousin, whom we had alot of fun together. Hope we still have some fun sometime. Since you'll be married, you won't want to goof off with me. Good luck in whatever you do, and try to be a good girl and keep out of trouble.

Luv,
Debbie

P.S. Have a baby, and it'll make three. Happy Landings!
